Skills

Focused on Creative Outreach with an emphasis in sustainability, cultural arts, and interactive design.

Professional skilled in many areas including Gardening, Outdoor Education, Interpretative Programming, Cross-Cultural Outreach, Social Practice, Project Management, Fabrication, Fine Art Installation, New Media Production, and Website Design.

Experience

KVC Health Systems / Garden Liaison

March 2019 - Present

Assist with oversight and management of Seasonal Community Garden. Plan environmental activities such as composting, rain gardens, and cultivate new projects for program participants. Provide participants with education related to gardening and healthy eating.

Kansas City Design Center/ Artist Consultant

February 2017 - August 2018

Designed and developed community programming for civic engagement based on cultural tourism, ecology, and arts education for city-wide initiatives. Worked as an artist consultant to the *West Bottoms Reborn Project* funded by the National Endowments of the Arts Our Town Grant.

Partnerships for this project included The City of Kansas City, Mo, Unified Government of Kansas City, Kansas and KCMO Water Department.

Missouri Department of Conservation / Design and Development Team

February 2013 - February 2014

Worked with a team to develop interactive applications used for outdoor education. Maintained living models of sustainable ecosystems for social engagement. Completed carpentry projects for earthworks, grading, landscaping, and signage.

Mattie Rhodes Art Center/ Youth and Young Adult Programming

July 2011 - December 2013

Collaborated with a team of educators to develop Mattie Rhode's enrichment curriculum, *Cultural Journeys*. Created engaging lessons that provided hands on experiences for students in the fields of science, social sciences, creative writing, and art. Coordinated yearly community activities calendar for cross-cultural audiences - maintaining working relationships with community network including staff, faculty, parents, teachers, students, interns, and volunteers.
